

Jewish Year Book - Produced by Merseyside Jewish Representative Council

The Merseyside Jewish Representative Council produces an annual Year Book each September. It is distributed to over 400 households across Halton, Liverpool, Knowsley, Sefton, St Helens, Wirral, Cheshire and Warrington. The Year Book serves as an important reference guide and record of Jewish life in the Merseyside region.

We understand that some members of the community may not currently receive a copy. If you would like to be added to the distribution list, we encourage you to get in touch. We welcome your views on the content and format of the Year Book so we can continue improving it to best support the Jewish community.
